Invitation

Dear Inner Wheel Friends,

It is with great pleasure that I am able to hold out the hand of Inner Wheel friendship and invite you to join the Local Convention Committee from Tuesday 7th to Friday 10th May 2024 at the 19th International Inner Wheel Convention and celebrate the Centenary of our wonderful organisation.

We are looking forward to meeting you at the Manchester Central Convention Centre on Tuesday 7th May 2024 as you collect your name badge and receive the warmest of welcomes from members of the host countries in GB&I.

With easy transport connections and numerous hotels within walking distance of the venue, you will find that Manchester is a great city to explore and enjoy, with plenty more to keep you in the area for an extended stay. Being centrally positioned Manchester also offers easy access to all corners of Great Britain and Ireland. To help you decide where to go and what to see we have many interesting tours on offer – before, during and after the convention.

Known to all Inner Wheel member as the 'birth place of Inner Wheel', Manchester is ideally situated to hold this very significant convention. The venue we have chosen is just a few metres from the very spot where Margarett Golding and those 29 other ladies held their first formal meeting on 10th January 1924; so what better place to come and participate in the celebration of that event's 100th anniversary and the birth of **INNER WHEEL**.

In friendship,

International Inner Wheel
19th Convention Co-ordinator

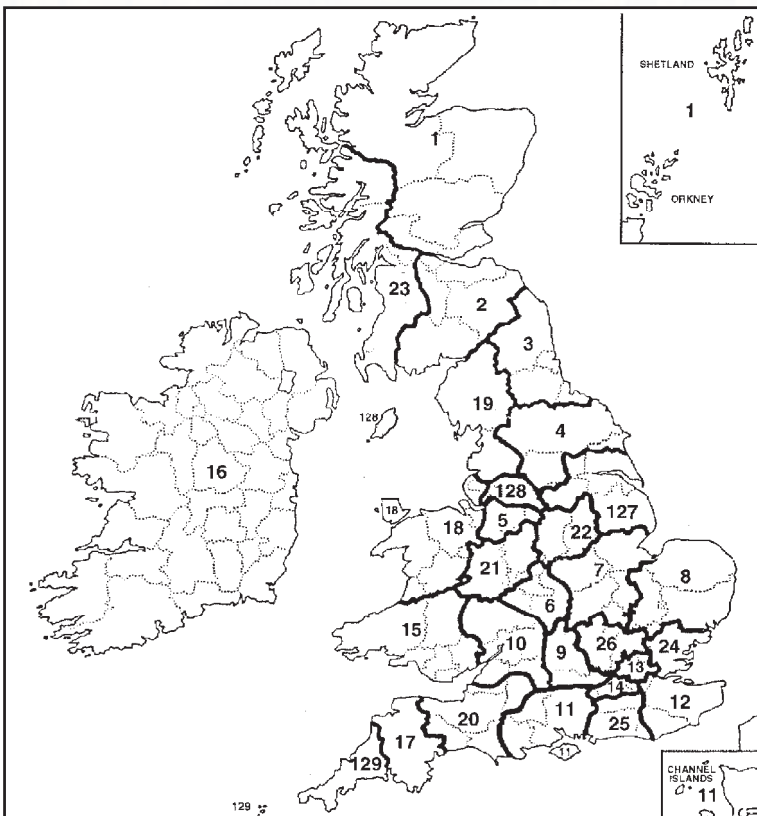

Local Convention Committee,

Host Countries

WELCOME TO GB&I

Great Britain and Ireland are islands in the North Atlantic Ocean off the north-west coast of continental Europe. Great Britain is the largest of the British Isles, the largest European island and the ninth-largest island in the world. Ireland is the second largest island in the British Isles, the third largest in Europe and the twentieth largest in the world. In general both islands enjoy a temperate climate.

Although politically Northern Ireland, along with England, Scotland and Wales, is part of the United Kingdom, in the life of Inner Wheel the whole of the island of Ireland, The Irish Republic and Northern Ireland, work together as one.

Inner Wheel Members from all 29 Districts of GB&I join together in welcoming you.

We invite you to visit our Districts, explore our vibrant cities and picturesque villages. We offer you the opportunity to explore our national parks, beaches and beauty spots.

Come and dip into our history, look into our castles and palaces, visit the birthplaces and homes of our famous poets and writers. Whatever your interest we can entertain you in our theatres, museums and art galleries; and from football to tennis, cricket to golf, sports of all kinds abound for spectators and players alike in all corners of our lands. www.visitbritain.com/gb/

Manchester Suffragette City/The Pankhursts Tour - Tuesday 7th May 2024

It is now over a hundred years (1 December 1919) since a woman entered the British Parliament for the first time. American socialite Nancy Astor won a by-election for the Unionists in Plymouth Sutton, ironically replacing her husband, Waldorf Astor, who had just been ennobled.

The campaign to win women the vote and the right to enter the Commons had been raging ever since more than a dozen people were killed and hundreds injured at the Peterloo Massacre in Manchester in 1819. This is a walk-in memory of the Pankhursts – Emmeline, Christabel and Sylvia – fierce campaigners, resolute radicals. We visit their haunts, outline their struggle and follow in their footsteps.

Make sure you make time to join the Pankhurst tour, the only one in the city which goes to the Pankhursts' shop and gives the accurate political background to the infamous Free Trade Hall Rally that took place in October 1905.

Tours start at 10am at the Emmeline Pankhurst statue in Manchester City Centre (outside Manchester Library). Finishing around 12 noon.

This two hour guided tour is £24 per person which provides a forensic and in-depth study of this extraordinary story of the Pankhursts.
